

# As I Mature

**I've learned that you cannot make someone love you, all you can do is stalk them until they give in.**

**I've learned that no matter how much I care, some people are just assholes.**

**I've learned that it takes years to build up trust, it only takes suspicion, not proof, to destroy it.**

**I've learned that you can get by on charm for about fifteen minutes, after that you'd better have a big willy or huge boobs.**

**I've learned that you shouldn't compare yourself to others, they are generally more screwed up than you think.**

**I've learned that you can keep vomiting long after you think you're finished.**

**I've learned that we are responsible for what we do, unless we are celebrities.**

**I've learned that regardless of how hot and steamy the relationship is at first, the passion fades and there better be a lot of money to take its place.**

**I've learned that, 99% of the time, when something in your house isn't working, one of your kids did it.**

**I've learned that the people you care about most in life are taken from you too soon and all the less important ones just never go away.**

**Pass this along to 5 friends, trust me they'll appreciate it. Who knows, maybe something good will happen.**

**If not, tough shit.**

*I've learned that this is cute even if it's not always true.*

**Gator-Bird says: Hell Yeah!**
